Motion sensor lights installed Free of Charge!

Reduce your electricity bill and improve security!

San Francisco Community Power can install up to 3 motion detector lights in your home **for free**. These lights will save you money on your energy bill, and are perfect for outdoor security lights, basement lights, or inside your home.

Coming to your neighborhood starting April 2004

Call to reserve your motion sensors today!

415.626.8723 or 415.724.0759

Ask for _____ to install your equipment.

Program available to residents in the following zip codes:

94102, 94103, 94107, 94110, 94124, and 94134.

Funded by California rate payers under the auspices of
the California Public Utilities Commission (CPUC)
